THE PLANNING GROUP (NSW) – COMPANY UPDATE MAY 2007

We are writing to inform you of latest events at TPG NSW.

Firstly, we would like to announce the launch of our new look website. It can be found at www.tpgnsw.com.au. Within our web site we have attached our latest Company Profile which is downloadable. The profile provides information on company services, staff profiles, corporate information and project experience.

Secondly, attached to this letter, we are pleased to provide you with the first of our "Areas of Expertise" sheets regarding our capabilities in "Developer Contributions / Section 94". In addition we include a summary of recent projects which we have been involved with.

TPG's ACT office is also continuing to perform well under the management of Jim Kaucz. Jim has been active in a number of recent projects including:

- an economic assessment in Broken Hill,
- a feasibility report for Narrandera Shire Council and
- the preparation of a draft Section 94 Contributions Plan for the Fairfield Town Centre.

Jim also recently attended the Planning Institute of Australia (NSW Division) awards ceremony where he was a key part of a winning entry in the "Rural and Regional Planning" category for his involvement in the completion of a structure plan for the Nowra-Bomaderry sub-regional centre. The project received a Merit Award at the PIA National Awards held recently in Perth.

TPG NSW also continues to co-operate on projects with staff in our other main offices in Perth (Western Australia) and Melbourne (Victoria).

We at TPG NSW continue to maintain and enhance the quality of our services to our valued clients. Should you wish to receive more information or would like further clarification of the scope of our services, please do not hesitate to call me on 02 9925 0444 OR Jim Kaucz on 02 6161 4842.

Yours sincerely
