## THE PLANNING GROUP (NSW) – COMPANY UPDATE NOVEMBER 2007

Please find attached a summary of recent jobs undertaken by TPGNSW and a copy of the TPG Sector Profile Sheet on Urban Design.

TPGNSW continues to co-operate on projects with staff in our other offices in Perth (Western Australia) and Melbourne (Victoria). This was highlighted with staff from the TPGNSW office visiting their Victorian compatriot's office in Melbourne in early November. Staff members from both offices enjoyed a day of team building aimed at encouraging new ideas and developing practical strategies for furthering the development of both offices in an integrated manner.

With regard to staff, TPGNSW also wishes to welcome their newest member to the planning team with Tom Trezise having recently joined their office as a student planner currently studying at the University of New South Wales.

Further information about the company and the work we do can be found on our website. It can be found at [www.tpgnsw.com.au](http://www.tpgnsw.com.au). Within our web site we have our latest, downloadable Company Profile. The profile provides information on company services, staff profiles, corporate information and recent project experience.

We at TPG NSW continue to maintain and enhance the quality of our services to our valued clients. Should you wish to receive more information or would like further clarification of the scope of our services, please do not hesitate to call me on 02 9925 0444.

Yours sincerely
